

Membership Registration for the Roxy Ann Gem and Mineral Society

Roxy Ann Gem and Mineral Society membership allows the couple, family, or individual unlimited visitations to the Crater Rock Museum as well as receiving *The Rock Chipper* club newsletter via email, attendance on field trips, and hourly rental (after training class is completed) of Workshop equipment during the membership period, which runs from July 1 to June 30. Please retain your membership card for entrance into the museum and the annual Gem and Mineral Show.

As RAGMS and the Crater Rock Museum are volunteer-driven organizations it relies on members volunteering time and effort to make them work. We ask all club members to volunteer at least 16 hours during the membership year.
